Dear ANFA Members ,

ANFA aims to take a more important role toward expanding the growth of the nonwovens business for the benefit of all members of the global industry. Membership in ANFA is open to any corporation or individual which or who is engaged in the nonwovens-related industries and whose place of business is located in Asia.

The purpose of the ANFA shall be, as the only organization which represents Asia's nonwovens industry both in name and in substance, to contribute to the sound growth of nonwovens-related industries in Asia and to promote the mutual benefit and friendly relationship of the Members.

Kindly update your membership listing urgently from the attached file

Regards

Asia Nonwoven Fabrics Association
